

LOW MAINTENANCE LANDSCAPE inc.

We invite you to visit any of these projects and see our work!

Display Gardens:

Low Maintenance Landscape Display Gardens

Location: 1210 Lakeview Ct., Lawrence, KS 66049

Description of project: Landscape dreamland; Amazing examples of all project types at this location. See what your plants will look like when mature. See new & experimental plants. Award winning!

Permission to visit: Front yard; okay to look at front landscape from street. Garden tour dates available on our website. A guided tour is available for customers that we have completed a landscape design. (drive by or call)

Residential Customer projects:

Full sun landscape; no irrigation system

Whedon residence

Location: 4101 W, 13th street, Lawrence, KS 66049

Description of project: This is a perfect example of how to have a "low maintenance landscape". Drought resistant plants and beautiful stone work provide lots of color, texture and style. See example of bamboo grove screening. See example of "No-Mow" buffalo grass lawn in back.

Permission to visit: Front and back yard, okay to walk around. (drive by or get out)

Becker residence (2 houses away from Kemper residence)

Location: 1024 College Blvd., Lawrence, KS 66049

Description of project: Great example of colorful, low maintenance, low water, environmentally friendly landscape. Lots of native plants. Good curb appeal example.

Permission to visit: front and back yard; okay to look at both front and back (drive by or get out)

Levine residence

Location: 2909 Lawrence Ave, Lawrence, KS 66047

Description of project: Great curb appeal and all 4-seasons of beauty from this landscape!

Permission to visit: front yard/corner; okay to look at landscape from public sidewalk. (drive by or get out)

Full sun landscape; with irrigation system

Kemper residence (2 houses away from Becker residence)

Location: 1032 College Blvd., Lawrence, KS 66049

Description of project: Landscape really stands out with lots of flowers and camouflaged irrigation system. Nandinas provide exceptional red winter color. You will know its our project from a distance.

Permission to visit: front yard; okay to look at landscape from street (drive by or stop)

Hughes residence

Location: 2036 Camelback Dr. Lawrence, KS 66047

Description of project: This is a highly visible landscaped hill with retaining walls; lots of unusual plants and color!

Permission to visit: front yard(corner);okay to look at landscape from street (drive by or stop)

Baloga residence (formerly Horning residence)

Location: 2015 Palmer Dr., Lawrence, KS 66049

Description of project: Beautifully integrated landscape beds painted around this immaculate home!

Permission to visit: front yard; okay to look at landscape from public sidewalk. (drive by or get out)

Adams residence

Location: 4704 Woodland Dr., Lawrence, KS 66049

Description of project: A well maintained and colorful garden created many years ago.

Permission to visit: front yard; okay to look at landscape from street (drive by or stop)

Brown residence (only 2 miles south of Lawrence)

Location: 1322 N. 1031 Rd., Lawrence, KS 66049

Description of project: Very beautiful and well designed landscape in full open prairie setting; lots of natives, unusual plants hardy palms, bananas & bamboo, stone walls, walks and water garden. This looks like it came out of a garden magazine!

Permission to visit: front yard; okay to view front landscape from street. A guided tour is available for customers that we have completed a landscape design. (drive by or call)

Full shade landscape:

Gotlieb residence

Location: 1684 Stratford Rd., Lawrence, KS 66044

Description of project: This landscape features an intricate flagstone patio, bamboo grove, and full-shade landscape. See how to eliminate your dying lawn and replace with shade loving plants.

Permission to visit: front yard; okay to look at landscape and walk from street to front door (drive by or get out)

Mosher residence (north/left side of driveway only)

Location: 599 Rockledge Rd., Lawrence, KS 66049

Description of project: Another great dry-shade, no irrigation, low maintenance landscape. With our exceptional plant knowledge, we select plants that will survive long-term in our difficult climate.

Permission to visit: front yard; okay to look at landscape from street (drive by or stop)

Lim residence

Location: 1132 Randall Rd., Lawrence, KS 66049

Description of project: Dry-shade anyone? Here we converted former lawn to 100% low maintenance groundcover under dense shade with no irrigation.

Permission to visit: front yard; okay to look at landscape from street (drive by or stop)

Flagstone & brick patio, deck, fence & pergola construction:

Skillman residence

Location: 715 Tennessee St., Lawrence, KS 66049

Description of project: Beautiful flagstone steps accent the entrance of this historic home.

Permission to visit: front yard; okay to look at landscape from public sidewalk. (drive by or get out)

Huston residence

Location: 721 Mississippi St., Lawrence, KS 66044

Description of project: Old west historic district; one of a kind hardscape patio design with no lawn to maintain! Plantings provide 4 seasons of flowers and interest.

Permission to visit: front yard; okay to look at landscape from public sidewalk. (drive by or get out)

Ritchie residence
