

LOW MAINTENANCE LANDSCAPE INC.

SPECIALTY PLANT SALE & GARDEN TOUR

You are invited to tour our display gardens at 1210 Lakeview Ct. during plant sale hours. Our display gardens are utilized in different ways. You can view the garden to see "what the plant will look like when mature". We grow and propagate certain "expensive" plant material and are able to them sell at a reasonable price. We also use the garden for experimentation and observation with new plants unknown to the area. We ask you to please join us this year for our plant sales!

WHY BUY FROM US?

- We grow many "hard to find" plants you won't find at the garden centers.
- Most of our plants are organically grown and no pesticides are used.
- Among our inventory is a large selection of native plants.
- We carry a selection of perennials and groundcovers that require less water.
- We carry perennials and groundcovers will thrive in difficult "dry shade areas".
- We carry many of the heat tolerant zone 6 plants for South or West walls.
- Our plants are grown in a natural topsoil mix to promote faster establishment.
- We carry; Hardy Banana tree, Needle Palm, Clump & Spreading Bamboo.
